

pid	Introduction	Task 1	Task 1 Likert Scale	Task 2	Task 2 Likert Scale	Task 3	Task 3 Likert Scale	Wrap Up
1		Clicked on search	4	Didn't see a + button for adding immediately	5	Clicked hamburger menu right away	5	Info laid out well, rename tutorlist, use blocks of hours for weekly view
2		Clicked search, and his name really fast	4	Clicked calendar cell, then the plus fast	2	Clicked cell, found menu quickly	5	Calendar is nice, easy to learn, add a help section eventually, rethink common tags
3		Clicked search, and his name really fast	5	Clicked cell, then plus	4	Clicked cell, found menu quickly	5	Liked search highlights, fix the plus button
4		Clicked search, then clicked tutorlist, was a little confused	4	Clicked cell, then plus	5	Clicked cell, then tried to find delete button, eventually clicked menu	4	Used to be a tutor and likes it a lot, would use it if was a tutor again
5		Clicked search, and his name really fast	5	Clicked cell, then plus	5	Clicked cell, found menu quickly	5	Liked search a lot, a bit cluttered on the right side, but if was dynamic would be fine
